Sterling Vineyards Platinum Napa Valley 2012

Made from our finest Cabernet Sauvignon grapes, our 2013 Platinum is our purest, most intense and most seductively smooth red wine. Thoughtful decision making, from vineyard sourcing through winemaking, is reflected in the poise and polish of this incredibly dark and decadent wine. The grapes, picked at their peak, deliver deep layers of spiced plum, black cherry, blueberry and graphite, structured by mature tannins. Hints of cocoa and spice from French oak barrels cradle the intense fruit and grace the long finish. For all its power, the palate remains velvety and plush, a signature of this distinguished wine.
